A DAILY PRAYER for the WEEK

Let us pray humbly to the Saviour of all people. He went up to Jerusalem to endure the passion and enter into his glory.

– *Sanctify the people you redeemed by your blood.*
Christ our Redeemer, let us share in your passion by works of penitence; let us attain the glory of your resurrection.

– *Sanctify the people you redeemed by your blood.*
As your Sorrowful Mother gave you comfort and strength, so, O Comforter of the afflicted, help us to extend to others the consolation you have given us.

– *Sanctify the people you redeemed by your blood.*
Take care of those we have discouraged and those we have wronged; help us to learn from our sufferings so that justice and love may prevail in the end.

– *Sanctify the people you redeemed by your blood.*
You humbled yourself even to accepting death, death on a cross; grant to your servants obedience and patience.

– *Sanctify the people you redeemed by your blood.*
Share with the dead your bodily glory;
let us rejoice one day with them in the fellowship of the saints.

– *Sanctify the people you redeemed by your blood.*

ONE SOLITARY LIFE

He was born in an obscure village. The child of a peasant woman. He grew up in another obscure village. Where he worked in a carpenter shop until he was thirty when public opinion turned against him. He never wrote a book. He never held an office. He never went to college. He never visited a big city. He never travelled more than two hundred miles from the place where he was born. He did none of the things usually associated with greatness. He had no credentials but himself.

He was only thirty three

His friends ran away. One of them denied him.

He was turned over to his enemies and went through the mockery of a trial. He was nailed to a cross between two thieves. While dying, his executioners gambled for his clothing the only property he had on earth. When he was dead he was laid in a borrowed grave through the pity of a friend.

Nineteen centuries have come and gone and today Jesus is the central figure of the human race, and the leader of mankind's progress.

All the armies that have ever marched, all the navies that have ever sailed, all the parliaments that have ever sat, all the kings that ever reigned put together have not affected the life of mankind on earth as powerfully as that one solitary life!
